	<p>For our November treasure hunt you need to solve the word search puzzle below. There are 20 names of people hidden in the grid, some are more famous than others. What they have in common is that they were all born in November. Everything else is for you to work out. If you solve the puzzle correctly the solution will give you something that is connected to a specific day in November as well.</p> <p>Please tell me what it is and include the relevant date in your answer. Good luck!</p>					Thu 7
